In general, light, loose-fitting clothes will be the most comfortable in the tropical heat. It's worth bringing one jacket that can double as a raincoat and keep you warm in higher elevations and on air-conditioned buses. When you visit temples, wear clothes that cover to your elbows and knees. Bring a smart outfit if you plan on clubbing in Bangkok or fine-dining in Phuket.

Currency

The basic unit of Thai currency is the baht {B}3.

Tipping is not generally expected in Thailand, but it is appreciated. At many hotels or upscale restaurants, a 10% service charge will be added to your bill.

Bargaining is common in the Thai street markets and some small shops. Prices in department stores, minimarts, 7-Elevens, etc. are fixed.

ATMs that accept foreign debit and credit cards are widespread throughout the country and can be relied on for the bulk of your spending cash.

Make sure you contact your bank and your credit card company before leaving home to notify them of your upcoming trip so your accounts aren't suspended due to suspicious overseas activity.

Money Saving Tips

- 1. Travel during low season EMay October 3 to avoid crowds & higher prices.
 - 2. Eating street food will cost you a fraction of what you pay at a restaurant.
- 3. Take advantage of restaurants' happy hour deals and drink the local beer.
 - 4. Long-tail boats are the cheapest way to travel between islands.
 - 5. Take the local bus or rent a like rather than paying for tuk-tuks.
- 6. If you opt to hire a tuk-tuk driver, negotiate a fixed price before you take off, because unlike taxis, tuk-tuks do no have meters.
 - 7. Remember, to avoid being taken advantage of, don't play the naive tourist.

Communication

The telephone country code for Thailand is +66 and is used when calling the country from abroad. All Thai telephone numbers are preceded by a 'O' if you're dialing domestically Ethe 'O' is omitted if you are calling from overseas. After the initial 'O', the next three numbers represent the provincial area code.

Culture, Customs, & Etiquette

Thais are generally very understanding and hospitable, but there are some important taboos and social conventions to be aware of:

The traditional Thai greeting is with a prayer-like palms-together gesture known as wai. If someone shows you wai, you should return the gesture.

Mever disrespect the royal family with disparaging remarks. Treat objects depicting the king with respect. Stand when the national and king's anthems are played.

Wear clothing that covers to your knees and elbows when visiting temples. Remove your shoes when you enter a temple building.

At the beach, avoid public nudity or topless sunbathing. Wear a cover-up to and from the beach.

Thais strive for social harmony by avoiding confrontation and outbursts of emotion. Hever get into an argument with a Thai. It is better to smile through any conflict.

Thai Language

If you are traveling in the major tourist areas of Thailand, you will have little trouble finding locals who speak a little English. However, a few handy phrases can go a long way to getting a friendly reception wherever you visit a foreign country.

The first thing you need to know is that the Thai language changes a bit depending on whether the speaker is a man or a woman. The addition of the word Krub/khrup Emale speaker? and Kah/kaa Efemale speaker? provide a more polite and formal tone to the message.
